 **ASSESSMENT OF ACHIEVEMENTS**

 Give your new badge the name that will be clear to others and tell something what it is about.

 Identify what you need to do in order to complete the learning related to your badge.

 Create the image of your badge that you want to award yourself at the end of your learning journey.

 Describe what you want to achieve and represent with your badge (e.g. new knowledge, developed skills, changed attitudes or behaviours).

 Specify the evidence which will support your claim for achievements and will help to establish badge trust

 Indicate who can verify the badge evidence: self-approve, peer participants or project managers
