

***ONLINE 21ST CENTURY SKILLS  
DEVELOPMENT FOR ADULTS  
IN CITIES OF LEARNING***

[www.citiesoflearning.eu](http://www.citiesoflearning.eu) | [info@badecraft.eu](mailto:info@badecraft.eu)

We are 8 organisations from 6 territories committed to make 21st-century skills adult learning better

## Partners involved

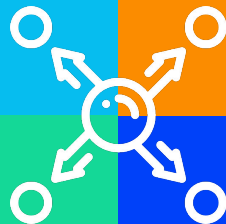

- CODEC vzw (BE) - applicant
- LAC vzw (Loopbaanadvies- en arbeidsmarktcentrum) (vroeger KOPA) (BE)
- Samen Leven vzw (BE)
- Ministry of Education, Science, Culture & Sport (CW)
- Lisbon City Council (PT)
- Breakthrough (NL-CW)
- Skills-Connect (NL)
- Badgecraft Ireland Limited (IE)

## OBJECTIVE 1

To map existing best practices of validating and recognising 21st century skills developed through adult education programmes.

## OBJECTIVE 3

To create skills assessment, validation and recognition pathways for adult education programmes focused on the 21st century skills development.

## OBJECTIVE 2

To exchange perspectives on how 21st century skills can be connected with existing or newly developed competence frameworks.

## OBJECTIVE 4

To develop technical solutions to embed 21st century skills assessment and competence frameworks within the platform of Cities of Learning.
